---

Below are two resources we recommend for “Plug & Play”:

**Echoes of Faith Plus- Adult Faith Formation**, Methodology- For beginners, [www.rclweb.com](http://www.rclweb.com)  
Diocese of Buffalo Library Code **Video 923**. This item is a DVD.

**Summary:** This great resource is an introduction to adult faith formation, which will help you to become a facilitator for a variety of small group discussions. Work books are also available.

Adults learn best in conversation with each other and evangelize one another best in small groups. They test out new ideas with each other.

Dialogue brings insight. Conversation deepens understanding.

DVD bonus features, at the end of the DVD was very good information. I would suggest watching this section first!

This item can be borrowed from the Catholic Center Library by calling 847-8778. Please respect the copyright laws, do not copy the work book.

To order workbooks call RCL Publishers 1-877-275-4725 or online [www.rclweb.com](http://www.rclweb.com)

**Note:** There is an entire series of *Echoes of Faith* DVD’s and VCR tapes that cover a variety of subject matter and each has a workbook available.

**Little Rock Scripture Study- Coordinator’s Manual** [www.littlerockscripture.org](http://www.littlerockscripture.org)

**Summary:** This resource comes under the heading: Plug & Play. As the name suggests, it’s that straightforward. The coordinator’s manual is comprehensive and easy to follow.

“The purpose of Bible study is not to gain ready-made answers or to put a lid on truth. It is, rather, to gain deeper understanding of the mysteries of God.” (Little Rock Scripture Study p.30)

There are many chapters that discuss a large variety of subjects:

- *Nine Steps to a Successful Scripture Study*
- *Coordinator Responsibilities*
- *Leadership Training*
- *Responsibilities of the Support Team*
- *Publicity- Recruitment- Registration*
- *How to Enhance Your Parish Scripture Study*

Their web site is easy to navigate, plus they have more to offer!
