Catechized

(Have and participate)

Un-churched

(Don't attend Mass)

Scenario:

- 1.) **Best case**- These folks need very little preparation, because they attend Mass frequently, are fully involved in catechesis and perhaps carry out service on a regular basis!
- 2.) These folks are catechized but for some reason, don't attend Mass and possibly don't participate in service. If they are asking for Confirmation, attending Mass becomes simple and easy to do.
- 3.) **Most difficult case**- Persons who meet none of the requirements, maybe just looking to be a sponsor for Baptism. (And possible going back to pre-confirmation status, when all is said and done.)
- 4.) These folks attend Mass on a regular basis and perhaps participate in service activities but have received no or little formal catechesis.

Keep in mind: (A question we always ask)

How do we put people on a path toward Discipleship!
